**No Reserve, No Retreat & No Regrets by Tim Wiseman**

He was a brilliant young man with a place in high society, yet he gave up his reputation to mobilize fellow-students at Yale to prayer. He was born into great wealth, yet he gave up his fortune to become a missionary to China. He had everything to live for and then, still in his twenties, he gave up his life. His name was Billy Borden, a young man who lived and died for prayer, mission and justice...

At the age of 16 he was already a multi-millionaire, as an heir to the Borden Dairy estate. Yet the wealth did not lure him away from what he knew God had assigned him to do. He was quoted, "I'm going to give my life to prepare for the mission field." After being accused by his best friend of "throwing his life away for missionary work", he wrote in the back of his Bible, "No Reserve!". He determined in his heart that there was only one direction in his life to go, and that was totally surrendering and holding nothing back from doing the work of the Lord.

Bill choose Yale to study for his missionary call. In his freshman year, he started a morning prayer group. By the time his senior year rolled around, 1000 of the 1300 students enrolled at Yale were attending his prayer group. Upon graduation from Yale, Bill turned down some high paying job offers. He knew the call upon his life and knew that nothing should stand in the way of that. In his

Bible, he wrote two more words: "No Retreats!"

William Borden went on to graduate work at Princeton Seminary in New Jersey. When he finished his studies at Princeton, he sailed for China. Because he was hoping to work with Muslims, he stopped first in Egypt to study Arabic. While there, he contracted spinal meningitis. Within a month, 25-year-old William Borden was dead.

Was Borden's untimely death a waste? Not in God's plan. Prior to his death, Borden had written two more words in his Bible. Underneath the words "No Reserves" and "No Retreats," he had written: "No Regrets!"

Ask yourself this question, "Where is my treasure?" What are you working toward... building a kingdom here on earth? Or are you working toward laying your treasure in heaven and building God's Kingdom? Are you storing a reserve of talents, time and wealth here in this lifetime? Are you running away from the call God has on your life to teach that Sunday school class? Or to serve in the children's ministry at church? Or share Christ with that co-worker? Our goal and aim in life should be to live in such a way, that we hear Jesus say in the end, "Well done thy good and faithful servant." At that moment, we will have "No Regrets."

## Success at Party in the Park

Lives were touched at Party in the Park on June 12th. White Chocolate, along with, GodStruck, Voice of Light and Living Stones ministered in music. In between each band, we had testimonies and shared about God and the House of Disciples. One homeless man came back

with us that day. Many more were fed and loved on. We also gave out free clothing vouchers for our Gifts of Grace Resale Store and at last report several needy families have already stopped by to pick up their clothes. We are looking forward to another wonderful event com-

ing up on July 10th. Come out to Teague Park in Longview and be a part of what God is doing.
